Re: Letter of Recommendation

Dear Leighton:

On behalf of Proffitt and Sons, Inc. we would like to take this opportunity to thank you for your great work. Leighton at Pioneer Media has transformed our outdated website, giving it a more modern and user-friendly design. He was easy to work with and made the entire process very simple on our end. He listened to what we wanted and made sure we were 100% satisfied with his execution of our ideas. We couldn't be happier with our new (and improved) site and would highly recommend Leighton and Pioneer Media for those looking to update and/or maintain their websites!

Sincerely,

A handwritten signature in black ink, appearing to read 'Geoff Overmyer', written over the printed name and title.
